Re: *United States v. Faizul Hussein*, 19 Cr. 40 (WHP)

Dear Judge Pauley:

I write on consent (Assistant U.S. Attorney Peter Davis and Pretrial Services Officer John Moscato) to respectfully request that the Court authorize the removal of Mr. Hussain's electronic monitoring device so that he can undergo a Magnetic Resonance Imaging (MRI) scan on July 21, 2020.

Due to complications from Mr. Hussain's glaucoma, an MRI of his brain has been scheduled for July 21, 2020. The electronic monitoring bracelet may interfere with such a scan, and thus will need to be removed before the MRI takes place. Accordingly, I respectfully request that the Court permit Pretrial Services to remove Mr. Hussain's electronic monitoring bracelet so that he can undergo the MRI on July 21, 2020, and then reattach it after the MRI is completed.

Respectfully submitted,
